

## Lengthman's Report

April 2019

Nothing exceptional to report this month.

Grass is growing very quickly and needs regular mowing.

Footpaths are in good condition with no apparent obstructions or bad surfaces.

The TFF play area was extremely well used over the school holiday period which was great to see.  
BBQ still needs finishing though.

Blewshed is well under way with all the construction completed and electrics installed. There is an open day planned for Sat. 5<sup>th</sup> May.

The Scout Hut has now been cleared of all extraneous material except for Andrew West's mower.

All other areas are OK

David
